MEMORANDUM FOR: Director of Security

STATINTL FROM: [redacted]  
Deputy Director for Community Affairs

STATINTL SUBJECT: [redacted] Briefing

STATINTL

STATINTL [redacted] 1. You requested a "pretend for real" briefing on the version of SI/TK [redacted] after seeing the guide prepared by Working Group Number 1.

STATINTL

STAT [redacted] 2. That guide was in checklist format intended for use of persons expected to be designated as [redacted] Control/Security officers or otherwise involved in performing [redacted] briefings. It outlines a suggested format from which briefers can tailor their presentation to their audience. It does not contain specifics of the various [redacted] operational compartments (such as [redacted] will be) or product compartments (as TK will be). This information is dependent on whatever the [redacted] Program Managers provide when they have completed their descriptions of what they want in these briefings. So far they have not provided this information. Therefore briefers cannot do more at this time than brief on the [redacted] system itself.

STATINTL 3. The core concept - what it is that the individual is to protect under [redacted] for example - is not available at this time. As soon as it is, we will schedule a briefing for you.
